Dear Families,

True to COVID 19 craziness we have had an update this afternoon. This has been taken from Catholic Education Executive Director Jim Miles letter:

*The Victorian Government has announced that regional and rural communities will progress to the Third Step of the roadmap for reopening from 11.59 pm Wednesday 16 September 2020.*

- *Students enrolled in Prep to Year 6 in standalone primary schools will return to onsite learning. Schools have the flexibility to stagger the return of primary year levels between Monday 5 October and Friday 9 October, depending on local circumstances.*

We are pleased to announce that **all St Mary's students will be able to return to onsite learning on Monday 5<sup>th</sup> October 2020** (without a staggered start).

This is exciting news to have all our students back together!

Further information on the return to onsite learning will be sent out closer to the beginning of Term 4. Have a lovely restful holiday and we look forward to seeing your children back at school next term.

Kind Regards,  
Christina Irwin  
Acting Principal
